<p>The form can be completed electronically, but must be printed out for signature.</p>		

Description of firearms/firearm parts¹

Pos.	Weapon type	Make / Model	Calibre	Identification number ²
Comment For the reasons given below, item has no markings.				

Weapon dealers and other recipients should ascertain that, when crossing the border, the forwarding agent, carrier, courier company or similar presented the firearms or parts of firearms to Customs.

If there are more than five firearms or parts of firearms then, under §§ 2 and 3 of chap. 1 of Sweden's Offensive Weapons Act, Swedish Customs should be contacted no less than 24 hours before arrival at a customs clearance office or red point.

¹ If more positions are needed, use form 730.4 Details of importation or exportation of firearms and ammunition for a purpose other than temporary hunting or competition (supplementary sheet).

² Manufacturing number, serial number or product number. If the weapon or weapon part has no identification number or other identifier, enter NO IDENTIFIER. A reason must be entered for the lack of identifier.

Information

Weapon dealer licence, weapon licence or import or export licence must be presented when notification is submitted. Attach a photocopy.
